

# Mumbai attack mastermind gets 15-year jail term in Pak

Pak always comes up with 'farical actions' before key global meetings: MEA

PRESS TRUST OF INDIA  
Lahore, 8 January

Mumbai attack mastermind and Lashkar-e-Taiba operations commander Zaki-ur-Rehman Lakhvi was sentenced to 15 years in jail on Friday by a Pakistani anti-terrorism court in Lahore in a terrorism financing case, amidst growing international pressure on Islamabad to bring justice to terrorists roaming free in the country.

Anti-Terrorism Court (ATC) Lahore Judge Ejaz Ahmad Buttar sentenced UN proscribed terrorist Lakhvi to five years of rigorous imprisonment each on three counts with a fine of PKR 100,000 (approximately \$620) each on three counts. His punishment will run concurrently.

"The Anti-Terrorism Court (ATC) Lahore convicted Lakhvi for commission of offences of terrorism financing in a case registered by the CTD for 15 years under different sections of the Anti-Terrorism Act 1997," a court official told PTI after the hearing.

"In default of payment of fine, he will have to undergo an imprisonment of six months each on three counts. He has been sent to prison to serve the sentences," the official said.

Lakhvi pleaded before the court that he was "falsely implicated" in this case. He was accused of running a dispensary and using funds collected for terrorism financing. "He and others also collected funds from this dispensary and used these funds for further terrorism financing. He also used these funds for personal expenses," the CTD said.

## India responds

In New Delhi, Ministry of External Affairs Spokesperson Anurag Srivastava said the timing of these actions clearly suggests

Zaki-ur-Rehman Lakhvi was designated a global terrorist by the UN in December 2008 for being associated with LeT and al-Qaeda

PHOTO: REUTERS

the intention of conveying a sense of compliance ahead of APJG (Asia Pacific Joint Group) meet and the next FATF (Financial Action Task Force) plenary meet in February 2021. "It has become routine for Pakistan to come up with farical actions prior to important meetings," he said when asked about the jail sentence to Lakhvi, and issuance of an arrest warrant against Jaish-e-Mohammad chief Masood Azhar by another Pakistan court. "UN proscribed entities and designated terrorists act as proxies for Pakistani establishment to fulfil its anti-India agenda. It is for the international community to hold Pakistan to account and ensure that it takes credible action against terror groups, terror infrastructure and individual terrorists," Srivastava said.

Interestingly, Lakhvi was presented before the Lahore ATC on Friday and was

convicted the same day in the terror financing case registered against him some time ago. The court was told that Lakhvi, a resident of Renal Khurd Okara district of Punjab, was living in Islamabad before his arrest in this case.

Lakhvi, 61, who was on bail since 2015 in the Mumbai attack case, was arrested by the Counter-Terrorism Department (CTD) of Punjab province on Saturday.

He was designated as a global terrorist by the UN in December 2008 for being associated with LeT and al-Qaeda and for "participating in the financing, planning, facilitating, preparing or perpetrating of acts, in conjunction with, under the name of, on behalf or in support of" both the entities.

Proscribed terrorists and entities are subject to an assets freeze, wherein all states are required to freeze funds and other financial assets or economic resources of designated individuals and entities, a travel ban that prevents the entry into or transit through nations' territories by the designated individuals and an arms embargo. Last month, the UN Security Council's 1267 Al Qaeda Sanctions Committee allowed for a monthly payment of PKR 1.5 lakh for Lakhvi to meet his personal expenses.

The permission was granted 10 days before his arrest. Lakhvi has named his son Hafizur Rehman and brother Saadat Bashir Waheed who would send him PKR 90,000 and PKR 60,000 respectively in his bank account. He said that his son and brother both have the bank accounts in the same branch.

The Paris-based FATF placed Pakistan on the Grey List in June 2018 and asked Islamabad to implement a plan of action to curb money laundering and terror financing by the end of 2019 but the deadline was extended later on for Covid-19.

# Bird flu outbreak dents chicken sales, farmers hit

REUTERS  
Mumbai/Bangalore, 8 January

Broiler chicken prices in the country have fallen by almost a third in a week with consumption dropping after an outbreak of avian influenza was reported in six states, industry officials told Reuters.

The sudden drop in demand and prices is compounding the woes of millions of small poultry farmers in an industry that only recently

started to recover from the coronavirus outbreak-led disruption that hit sales during 2020. "Demand has fallen nearly 30 per cent," said Uddhav Ahire, chairman of Anand Agro Group, a poultry company based in the western city of Nashik.

Broiler chicken prices have fallen to ₹60 a kg from around ₹90 a week ago, he said, adding that farmers are incurring losses as the production cost is more than ₹75.

The central and state governments have been trying to allay consumer fears, saying consumption of chicken and eggs is safe after cooking.

"The industry might see some temporary disruption, but we don't see this to be a long term phenomenon and this might correct within a period of 15-20 days," said Prasanna Pedgaonkar, general manager of poultry-focused Venky's, which has seen its shares slide more than 10 per

cent this week.

Egg prices have also fallen by more than 10 per cent in a week as small farmers try to sell their produce as quickly as possible, fearing a further drop in prices, said a poultry farmer.

India's poultry industry suffered heavy losses last year because of unfounded social media speculation that chickens contributed to the spread of the coronavirus, while lockdowns to contain the virus squeezed demand.

## FROM PAGE 1

## Budgetary...

The departments were classified into three groups and were asked to savagely cut expenditure. Similarly, the ministries were also classified into three groups. Of those, depending on their relevance to tackling the pandemic, the first set had to reduce their expenditure by 20 per cent, the next by 40, and the rest by 60 per cent. It was left to the departments concerned to figure out how to make the cuts.

The numbers being circulated for the next financial year will bring the ministries to more or less the same position regarding their spending they had hoped to be in in March 2020.

It is not a bad deal. An officer said as most of the heads were left unspent, a fresh beginning can be made.

The government, it would seem, is reserving its firepower to spend on big-ticket items that will be announced in the Budget. This will include spending for the states in accordance with the 15th Finance Commission report, which will be tabled in the two Houses on the day of the Budget. For FY21, the government had planned to spend ₹304.2 trillion, according to Budget estimates. Leaving out the committed interest payments and transfers to states, including centrally sponsored schemes, grants given by the Finance Commission and sundry others, loans, etc., the remainder is ₹16.20 trillion. Subtracting other committed expenditures, including wages and pensions, which amount to ₹4.58 trillion, had left about ₹11.62 trillion for the entire year. The ministries will do the same maths after a gap of one year.

## Indices...

Markets across the globe also rose ahead of a key job's data report. Forecasts have shown a sharp fall in hiring in December, resulting in a stronger case for more stimulus.

It is easier to push through stimulus with Democrats gaining control of the Senate. The stimulus could weaken the dollar, and the weak dollar is good for emerging markets," said Jyotivardhan Jaipuria, founder of Valentis Advisors.

US President Donald Trump's statement on Thursday promising a smooth transition further boosted optimism, coming a day after his supporters ran riot in the Capitol building, the seat of the US government.

Investors are looking beyond rising coronavirus cases and political unrest in the US to focus on hopes for an economic recovery later in the year.

"The global markets were upbeat

owing to the Democratic control of the US Senate and hopes of speedy economic rebound due to the vaccine, setting the trend for the domestic markets, which followed suit," said Vaid Nair, head of research, Geojit Financial Services.

The first advance estimate of India's gross domestic product (GDP), which projected a contraction of 7.7 per cent in financial year 2020-21, was better than expectation and this added to investors' optimism. It showed good recovery in some sectors in the second half of the financial year.

On Friday, 481 stocks hit their 52-week highs, and 473 were locked in the upper circuit on the BSE Sensex. The market breadth was positive with total advancing stocks at 1,734 and those declining at 1,388 on the Sensex. Four-fifths of Sensex components ended the session with gains.

IT stocks gained ahead of third quarter results of Tata Consultancy Services, Tech Mahindra rose 5.6 per cent to become the fifth Indian IT company to cross a market capitalisation of ₹1 trillion, while Infosys rose 3.95 per cent. Maruti was the best performer in FY21, the government had planned to spend ₹304.2 trillion, according to Budget estimates. Leaving out the committed interest payments and transfers to states, including centrally sponsored schemes, grants given by the Finance Commission and sundry others, loans, etc., the remainder is ₹16.20 trillion. Subtracting other committed expenditures, including wages and pensions, which amount to ₹4.58 trillion, had left about ₹11.62 trillion for the entire year. The ministries will do the same maths after a gap of one year.

"Besides earnings, global cues and updates on vaccine drive will also remain in focus. At present, the rotational buying across sectors helps the index inch higher and suggests aligning positions according to the trend. However, traders should avoid going overboard and keep a check on leveraged positions," said Ajit Mishra, vice-president of research at Religare Broking. Barring two, all the BSE sectoral indices ended the session with gains.

Modi meet...

Adar Poonawalla, CEO of Serum Institute, said the price of Covishield would be ₹200 per dose for the first 100 million doses supplied to the government.

By March, Hyderabad-based Bharat Biotech too may have efficacy data from its phase 3 trials. Our market position recruitment for the trials on Thursday. Bharat Biotech has 10 million doses of Covaxin ready and can have another 10 million in the next few weeks. It can, therefore, supply 20 million doses to the government at the moment for its vaccine which got restricted use approval in clinical trial mode.

Both the vaccines can be stored in 2-8 degree Celsius temperature. The shelf life of Covishield is six months. One pack of Covishield contains 10 doses of 5 ml each and once opened the vaccine has to be used in six hours.

In a recent meeting with the Health Minister, states pointed out several

glitches they had faced during the dry run — Chhattisgarh pointed at network issues in tribal belts, while Telangana said it faced software problems. For Jammu and Kashmir, the issue has been the 2G connection available there made it difficult to use the Co-Win platform, which is driving the vaccination exercise.

(With inputs from Arindam Majumdar)

## RBI hints...

The restoration announcement and the act of restoring the normal timing for the window "should realign short-term rates towards repo rate and above", Niyoogi said.

Having said that, experts do say it would be a very long time before the RBI gets back to its original stance of keeping liquidity contained at plus-minus 1 per cent of the total deposit base, which is roughly about ₹1.5 trillion surplus or deficit liquidity, depending upon the stance of the monetary policy.

The RBI still carries on with an 'accommodative' policy stance, and that too would likely not change before the second half of the calendar year, economists say.

## TCS beats...

While the company took a salary hike in October it was able to offset the hike due to operational efficiencies resulting in margin improvement. A reduction in travel spends and sub contracting costs too is believed to have helped the company.

Growing demand for core transformation services and strong revenue conversion from earlier deals have driven a powerful momentum that helped us overcome seasonal headwinds and post one of our best performances in a December quarter," said Gopinathan.

We are entering the new year on an optimistic note. Our market position stronger than ever before, and our confidence reinforced by the continued strength in our order book and deal pipeline," added the company's CEO & MD.

Analysts see the results with optimism. "This quarter is a turning point and its good to see finally positive YoY growth at TCS. Things will be better from here on because of digital and cloud acceleration as well strong deal momentum for cost take outs. The good part is that TCS growth is balanced across verticals and geographies thus giving hope for sustained momentum going forward," said Preetesh Kumar, founder and managing director, an outsourcing research and advisory.

**NOTICE OF POSTAL BALLOT TO MEMBERS**  
Pursuant to Section 110 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as amended from time to time, Members of the Bank are hereby informed that the Bank seeks their consent by way of special resolution to ratify the "ESRB Employees Stock Option Scheme, 2019" through postal ballot ("Postal Ballot") or electronic voting ("e-voting").  
The Bank has sent an e-mail on January 08, 2021 to the Members as on the Cut-off date December 25, 2020 along with the details of user IDs and password to the Members who have registered their email IDs.  
The dispatch of Postal Ballot Notice has been completed on January 08, 2021 along with Postal Ballot Form and self addressed & postage prepaid Business Reply Envelope to the Members who have not registered their email IDs.  
All those persons who are Members of the Company as on December 25, 2020 (cut-off date) are eligible to cast their votes in proportion to their shareholding as on the said date and a person who is not a Member as on the cut-off date should treat this notice for information purposes only.  
The Bank has engaged National Securities Depository Limited ("NSDL") as the authorized agency to provide e-voting facility. Further, Dr. B. R. Prasad, practicing Company Secretary, has been appointed as Scrutinizer to oversee the Postal Ballot and the e-voting process in a fair and transparent manner.  
Eligible Members can vote either by Postal Ballot or through e-voting facility on the business specified in the Notice during the following voting period.

**Commencement of e-voting**  
January 09, 2021 at 9.00AM IST

**End of e-voting**  
February 08, 2021 at 5.00PM IST

The e-voting facility shall be disabled by NSDL after the voting period and casting of vote through electronic means shall not be allowed thereafter. Once the vote on the resolution is cast by a Member, the Member shall not be allowed to change it subsequently. Any Form received from Members after the aforesaid voting period will be strictly treated as if no reply has been received from such Members.  
Member(s) who have not received the Postal Ballot Notice / Form(s) and are desirous of seeking a duplicate Form or have any grievance pertaining to the Postal Ballot process may write to [cs@equitasbank.com](mailto:cs@equitasbank.com) with their Folio No., DP ID and Client ID. Postal Ballot Notice and Postal Ballot Form can also be downloaded from the website of the Company [www.equitasbank.com](http://www.equitasbank.com).  
In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of [www.equitasbank.com](http://www.equitasbank.com) or call at 1800-229-9901 or send a request at [equitas@nsdl.co.in](mailto:equitas@nsdl.co.in) or contact Mr. Sampathkumar K. R. Company Secretary by writing to 4th Floor, Phase II, Spencer Plaza, No. 769, Model Road, Anna Salai, Chennai 600002 or through telephone at 044- 42995000 or through [www.equitasbank.com](http://www.equitasbank.com).  
The results of the Postal Ballot shall be declared within 48 hours from the end of e-voting and the same will be available on the website of the Company i.e. [www.equitasbank.com](http://www.equitasbank.com) and the website of the Stock exchanges i.e. [www.nseindia.com](http://www.nseindia.com) and [www.bseindia.com](http://www.bseindia.com).
